SUMMARY

I developed two applications, Focus Next and Ingilizce Pro, using SwiftUI and published them on the App Store.

PROJECTS

Focus Next App - Available on the App Store

📅 09/2024 📍 İstanbul, Turkey

Focus Next is a productivity app designed to help users stay focused and organized. It features Task Management, Focus and Study Timers, Motivational Quotes, Relaxing Sounds, and a Book Reading Mode. Users can add, edit, and delete notes to efficiently manage their workflow. Developed with SwiftUI, the app offers a clean and seamless user experience.

Ingilizce Pro - Available on the App Store

📅 10/2024 📍 İstanbul, Turkey

English Pro is a language learning app designed to help users improve their English skills. It offers clear and natural sentence pronunciations, allowing users to enhance their listening and speaking abilities. The app provides a structured and user-friendly experience, developed with SwiftUI for a smooth and intuitive interface.

SwiftBuddies App

📅 08/2024 📍 İstanbul, Turkey

SwiftBuddies is an interactive iOS app that connects iOS developers in a dynamic community. Users can follow community events, engage with others, and contribute to the project, fostering collaboration and knowledge sharing.

EXPERIENCE

IOS Developer

Freelance Software Projects

📅 06/2024 📍 İstanbul, Turkey

After completing the courses, I started developing mobile applications as a freelancer. Currently, 2 of my applications have been published in the app store. I am working on new applications.
